Uniform Crime Reporting (UCR) Data

Reported by Media, Dec. 2006

215 Violent Crimes

Rank = 1st of 34 Towns reporting data

Corrected Data, Jan. 2007

52 Violent Crimes

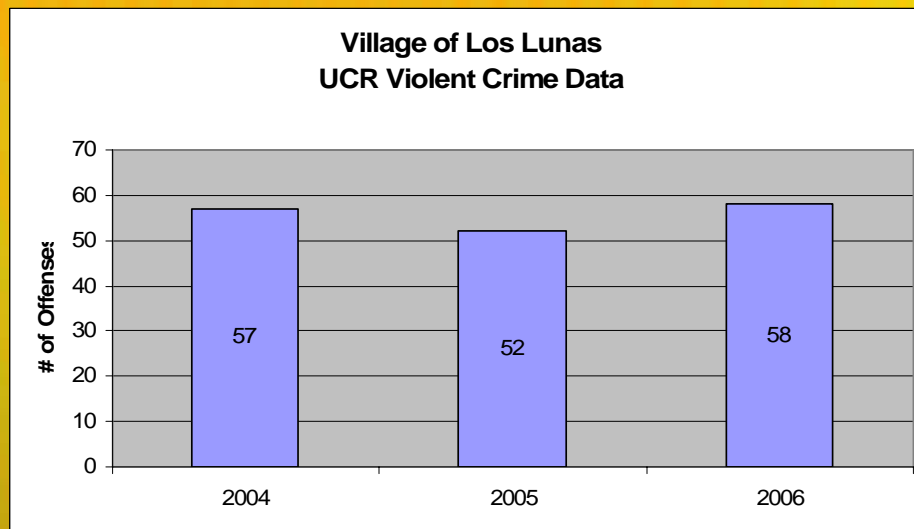

Rank = 23rd of 34 Towns reporting data

REASON: Software issues caused the number of crimes reported to the FBI to be too high.

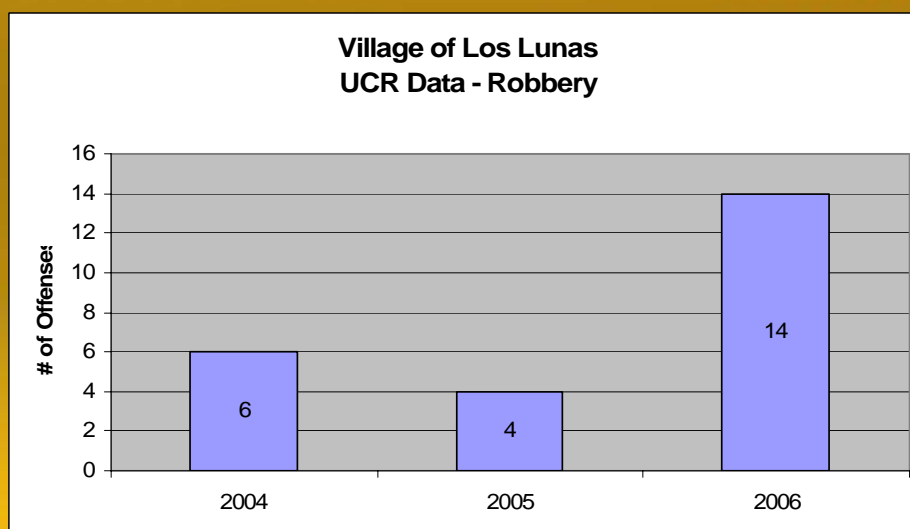

The Violent Crime category is the combined offenses of Murder, Rape, Robbery, and Aggravated Assault.

[Note: No chart for 'Murder' is being presented. Offenses were 0 in 2004, 1 in 2005 and 2006.]
